

Your Business is Our Business

Skills > Training > Apprenticeships > Consultancy

Here at Barking & Dagenham College we are perfectly positioned to offer a range of services to businesses of all shapes and sizes, from large corporations to sole traders and start-ups.

This year we celebrate our 50th anniversary, which means we have been delivering education and training for half a century. That's a lot of knowledge, skills and expertise available for businesses like yours to take advantage of. And you will be in good company. From small enterprises to household names, such as Morrisons supermarkets, our client list speaks for itself.

A flexible service tailored to your needs

We offer a range of vocational and professional training programmes which can be tailored so they are exactly right for your business:

- Apprenticeships – we train over 600 apprentices every year
- Industry specific short courses
- Regulatory and legislative courses
- Individual bespoke training programmes tailored to suit you
- Consultancy services
- Job shop service

Ask about our FREE NO-OBLIGATION training needs analysis today

One of our friendly Account Managers will come to you to find out more about your business and how we might help.

It's just an hour of your time, and it places you under no obligation, so call today on:
