## Overview

The CMI Level 7 Diploma in Strategic Management and Leadership is designed for senior managers who have the ability to drive organisational strategy.

It'll help you develop your career as a strategic manager, and provide the foundation for progression onto an MBA (top-up) programme.

## What you'll learn

Indicative modules that you'll study on this course may include:

- Personal Development as a Strategic Manager
- Developing Performance Management Strategies
- Strategic Planning
- Developing a Marketing Strategy
- Financial Management
- Strategic Project Management

## Assessments / Exams

Assessment is via written assignments.

Most course units are assessed and verified internally and then sent to the Chartered Management Institute for moderation.

## A typical week

Student Membership of the Chartered Management Institute (CMI) will be included in the course and full membership may be offered to you on completion.

## Entry requirements

To study on this programme you'll ideally have completed the Level 5 Management & Leadership course - or have a similar qualification.

You'll also need significant experience in management and leadership, with a track record of implementing strategic decisions.

We also require that you have a good standard of English & Maths (at least Level 2 in each). There'll be an initial written assessment prior to interview so that you can demonstrate proficiency at this level.

## Links with employers

This course is suitable for those who have experience at an appropriate managerial level
