

Level 3

Applied Science

BTEC Extended Diploma

Duration

1 year

Location

Rush Green

Starting

Sep 2020

Age

16-18
Adult 19+

Careers

Science

How much does this course cost?

AGE 16-18

FREE

ADULT 19+

£3,200

The above fees include tuition and exam fees.

You may be eligible for an Advanced Learner Loan to help with the course fees. Contact us to discuss what Financial support is available.

Overview

Develop advanced scientific technical skills in a range of subject areas - before progressing on to degree-level study!

What you'll learn

The course covers subject areas such as

- Applications of Organic & Inorganic Chemistry
- Genetics and Genetic Engineering
- Forensic Evidence
- Collection and Analysis

Assessments / Exams

You will study practical, theory and external assessments.

A typical week

You'll be benefitting from digital 'Learning Science Laboratory' resources to get you lab-ready!

Entry requirements

You'll need at least 5 GCSEs at grade 4 (C) or higher for entry onto this course.

Our teaching staff

The course will be taken by Olufemi Shode and Michelle Benjamin.

Both tutors have extensive industry knowledge, so they'll relate what you learn to the working world.

Links with employers

Various WEX opportunities exist around the local and wider community within science-based industries. There's also the opportunity to become a Science STEM Ambassador.

What this course leads to

Completing the course sets you up for further study at university and a career in the applied sciences industry.
