Overview

This course would suit you if:

- You've successfully completed the Level 2 Foundation Certificate in Accounting
- You're studying full-time and want to pursue a career in accountancy, finance or business
- You're looking for an alternative to A Levels
- You want to develop broader business skills to enhance your job prospects
- You're already working in finance but want a qualification to improve your career prospects
- You want to work in bookkeeping in a large company's finance department
- You're self-employed and need to learn how to do your own bookkeeping
- You're looking to change career

What you'll learn

Building on the knowledge gained at Level 2, this course includes study units in:

- Advanced Bookkeeping

- Final Accounts Preparation
- Management Accounting: Costing
- Indirect Tax
- Spreadsheets for Accounting
- Ethics for Accounting

Assessments / Exams

You'll need to complete online assessments for:

- Advanced Bookkeeping
- Final Accounts Preparation
- Management Accounting
- Costing & Indirect Tax

There will also be a general online assessment at the end of the course covering all units except Indirect Tax.

Entry requirements

You'll ideally need to have completed the Level 2 qualification to start this course.

We run an initial assessment for students entering directly at Level 3 to ensure their knowledge is at a high enough standard.

You'll also need a good level of English & Maths.

This can be via Level 2 qualifications or GCSEs in both subjects at grade 4 (C) or above, or through evidence at an initial course assessment.

You will also need basic IT skills.

Our teaching staff

Tutors are qualified accountants with years of experience in industry and in delivering AAT qualification courses.

Links with employers

Work experience can help develop your skills and improve your job prospects for the future.

We'll support students looking for placements locally, and overseas via the Erasmus+ programme.

During the course you'll also have the chance to enter the BASE Competition for Accounting & Business students and attend the Accountex Conference. Both are great ways to make contacts and improve your employability.

What this course leads to

On successful completion of this course you can progress to studying AAT Professional Diploma units at Level 4.
