## Overview

An introduction to the gaming industry.

Focuses on both the understanding of the industry - and the application of skills vital in the pursuit of a career in game development.

## What you'll learn

Areas covered include:

- idea generation
- game concept art
- video editing
- game testing
- 3D computer graphics
- game design
- an introduction to coding.

You'll also get the chance to test a game in production - and to compete in the annual game tournament!

## Assessments / Exams

You'll be assessed by a portfolio of evidence, covering the above units.

## Entry requirements

You'll need at least 2 GCSEs at level 3 (D) or above, OR a Level 1 qualification with Functional Skills Maths and English (Level 1).

You'll also need to provide a portfolio of your work, and have details of a reference.
