Health & social care

How much does this course cost?

AGE 16-18

FREE

ADULT 19+

£2,940

The above fees include tuition and exam fees.

You may be eligible for an Advanced Learner Loan to help with the course fees. Contact us to discuss what Financial support is available.

What you'll learn

On this course you'll build on your learnings at Levels 1 & 2 to develop in-depth subject knowledge.

Once you've completed the extended certificate, you'll be prepared for specific study at Level 4 and above, degree-level courses, or employment in the sector.

Assessments / Exams

You will have 1 exam at the end of the first term of this course and will be assessed by CACHE.

A typical week

You will study 3 days a week, including your study programme of maths, English, work experience and tutorials. You will spend 2 days a week in a vocational placement and gain relevant experience to link this to your studies.

Entry requirements

You must have 5 GCSEs including Maths & English at grade 5 or above to join the course.

If you want to choose your 'occupational pathway' as midwifery, nursing or physiotherapy, you'll also need one of these GCSEs to be in science.

Our teaching staff

Our staff are here to support you in your learning journey. They all have recent industry experience, and many of them continue to work in care alongside their teaching.

Links with employers

You'll spend 350 hours on industry placement during each year of the course.

Working in the industry allows you to put your knowledge into practice. It'll also help with progressing to further study or when looking for jobs.

What this course leads to

On successful completion of the first year of the course leads directly on to the second (Extended) year. You must pass the exam, have excellent attendance and punctuality, in order to progress to the second year.
