Overview

We actively encourage applications for this course from mature students and those wanting to retrain.

With real 'live' project briefs, work experience and placements possible in European cities, this three-term programme sets you up for related work opportunities and further study.

What you'll learn

Specialist areas of art and design are covered, such as:

- Fine Art
- Graphics
- 3D
- Illustration
- Printmaking
- Photography
- CAD (Digital Design)
- Fashion & Textiles

You'll also gain valuable visual language skills through studying the work of artists and designers from the creative industries.

Assessments / Exams

Written, practical assessments and coursework.

Entry requirements

4 GCSEs at 4+ (A-C) including English, OR Merit or above in an appropriate Level 2 qualification, with Level 2 Functional Skills Maths and English.

You will also need to provide a portfolio of work, as well as a reference.

Links with employers

You'll have opportunities to answer real 'live' project briefs within specialist areas of art and design as part of the course.

30 hours of work experience form part of the course, and work experience placements are arranged - some of them possibly in European cities!

What this course leads to

The confidence and skillset you'll have built during the course's duration sets you up for entering the creative industry or progressing onto the creative degree programme at Barking & Dagenham College, further study at Higher Education or progression onto employment, internship or apprenticeship.
