How much does this course cost?

ADULT 19+

£719

The above fees include tuition and exam fees.
Contact us to discuss what Financial support is available.

Overview

This course is primarily intended for experienced electricians

Who have never gained formal qualifications in inspection and testing or who may wish to update and reaffirm their skills.

What you'll learn

You'll learn the correct use of measuring instruments and how to interpret the results. You'll also be shown how to complete all necessary documentation to be handed to the client.

The course is 10 weeks long, on two evenings per week (currently Monday and Wednesday) from 6-9pm.

Assessments / Exams

You'll be assessed via a combination of written tests, practical assignments and online exams.

Entry requirements

Ideally a Level 3 certificate in Electrical Installation with the latest BS7671 regulations (18th). You should be working in the electrical installation industry with a sound level of experience in domestic and industrial installation work procedures.

What this course leads to

On successful completion of this course you can progress to a Level 4 course.
