## Overview

Writing business plan is a vital part of starting up on your own.  
It helps focus your idea and your plans, and enables you to seek support and investment.

## What you'll learn

You'll learn about the importance of your business plan and its potential uses.  
You'll come away with knowledge of the information required and how to present it in a professional way.

## Assessments / Exams

There are no assessments or exams for this course.

## Our teaching staff

Andre Arundell is a business coach and entrepreneur.

He's run his own successful business since he was 18, and offers students a unique industry insight.
