

Advanced Apprenticeship Health and Social Care

This Apprenticeship will provide your business and employee with skills and knowledge needed to enable your business to thrive. It is delivered in a flexible way, with both technical input and skills development covering a wide variety of areas that include;

- Diploma in Health & Social Care (level 3)**
- Certificate in Preparing to Work in Adult Social Care (Level 3)**
- Functional Skills English (level 2)**
- Functional Skills Maths (level 2)**
- Personal Learning & Thinking Skills**
- Employment Rights & Responsibilities**

A workplace Assessor will be allocated to your Apprentice and will visit your workplace regularly to assess workplace activities and assess your apprentice's occupational competence through the gathering of evidence.

Barking & Dagenham College also provide a wealth of Apprenticeship support to your business through regular reviews and contact provided by our dedicated Apprenticeship team.

An Advanced Apprenticeship typically takes up to 18 months to complete.
